

BAGPAX® Station Wagon

Carefree transportation without dirt or damages! Enjoy the safe transporting of cargo that only the original BAGPAX® can offer with such comfort and convenience.

All products of the BAGPAX® series can be closed completely. As a result, no dirt is left in the car. The protective quality provided by BAGPAX® helps to maintain the value of your car. BAGPAX® can be used with the back seats upright or flipped over.

Lots of Space

BAGPAX® Compact Class

The easily installed BAGPAX® is indispensable when transporting tools or other everyday items. BAGPAX® keeps the trunk absolutely clean and is easy to use.

BAGPAX® is the most effective and least expensive solution to protect your car. As all BAGPAX® products come in their own smart carrying case, BAGPAX® can stay in your car and be installed easily when needed.

Easy to Clean

BAGPAX® Limousine

With its certified and excellent material qualities, BAGPAX® is an ideal accessory for every car and virtually a must for all leased cars.

BAGPAX® - the ultimate product for every car owner because clean cars show their smile.

Protection for the interior of your car - simple, flexible and efficient.

Quick Installation

The practical BAGPAX® carrying case takes up only a minimum of space and it folds out to provide extra space if your BAGPAX® needs to be packed up quickly without being properly folded.

The BAGPAX® is attached to four vacuum cups that may remain in place even when the BAGPAX® is not in use. Since the silicon straps adapt to any kind of trunk, BAGPAX® can be used universally in every type of car.

When opened BAGPAX® provides a lot of space for cargo and protects the interior up to the rim of the trunk. When closed the entire interior as well as the ceiling are well protected from dirt and damage.

All kinds of cargo can be transported in BAGPAX® allowing nothing to leak into your car. After transporting cargo and after the easy clean-up, you can rest assured that you won't have to deal with stowaways.
